Conference Council on Youth Ministry (CCYM)

CCYM is a group of 20 youth and 10 adults who serve the youth and youth workers of the Dakotas Conference of The United Methodist Church by planning spiritual growth, learning and fellowship events. Yearly, the youth members of CCYM are elected by their peers. Beginning in 2012 these elections will take place via Video Conferencing during Winter Connection.

Youth currently grades 9-11 are eligible to apply to be part of this leadership team. You are selected to serve on CCYM by appointment by District Superintendent or election by your peers at Winter Connection. You must be present at Winter Connection if you apply for CCYM.

So, do you want to get involved, plan events and build your leadership skills? Apply to be a part of CCYM. More information regarding election procedures, requirements and time commitment is available at our website: www.dak youth.com. Just click the election info link on the home page. The deadline to apply for CCYM is January 10, 2012, and only online applications are accepted.
